MEMORANDUM FOR Potential Offerors

SUBJECT: Edgewood Chemical Biological Center (ECBC) Participation in  
PM Guardian Installation Protection Program

1. We appreciate your interest in partnering with ECBC to collaborate on PM Guardian's Installation Protection Program. At this time we are working directly with the PM on the solicitation/program direction and have chosen not to team with any prospective bidders prior to the award of the contract. If, after contract award, our technical expertise can be of service to assist the contractor team, those services may, subject to Contracting Officer approval, be negotiated at that time.

2. My POC for this action is Mr. Joseph D. Wienand, Edgewood Chemical Biological Center, AMSRD-ECB-EN, Building E3549, 5183 Blackhawk Road, Aberdeen Proving Ground, Maryland 21010-5424, COM: 410-436-5606, DSN: 584-5606.
