SECTION SF 30 BLOCK 14 CONTINUATION PAGE

SUMMARY OF CHANGES: The purpose of this modification is to update contract requirements and clauses relevant to OCONUS performance. The contract is hereby modified as follows:

1. SECTION H - SPECIAL CONTRACT REQUIREMENTS:

a. The Section H clause titled "CONTRACTOR DEPLOYMENT," is deleted in its entirety. The DFARs clause 252.225-7040 is added to Section I and supercedes this clause.

b. The following clause is added to Section H:

EMPLOYEE COMPENSATION IN FOREIGN COUNTRIES:

Regarding differentials and allowances in compensation costs for contractor employees performing in foreign countries, the parties agree to the following:

1) Portions, as specified below, of the Department of State Standardized Regulations (DSSR), shall be complied with for contractor (and, if applicable, subcontractor) employees performing in foreign countries. (The DSSR can be accessed at [REDACTED])

2) When applicable, "Post Hardship Differential," in accordance with DSSR Chapter 500; and "Danger Pay Allowance," in accordance with DSSR Chapter 650, shall be added to the employee's base labor category rate. The percentages of base pay to be applied shall be the then-current rates identified by the State Department for the specific foreign location where the employee is performing (see [REDACTED] for rates, which are revised quarterly.) Base pay scale is the same as for contractor employees performing the same job in the United States.

(Note that DSSR Section 541 a. specifies that an employee performing in a location qualifying for "Danger Pay Allowance" does not qualify for Post Hardship Differential until the employee has served at such a location for a period of 42 consecutive days or more, at which time the Post Hardship Differential may be granted at the prescribed rate for the number of days served, beginning the first day of detail.)

Reference DSSR Section 652 d: There is no reduction in post differential due to dual crediting for political violence.

2. SECTION I - CONTRACT CLAUSES:

a. The following DFARs clause is added in full text as follows:

DFARs 252-225-7040 CONTRACTOR PERSONNEL AUTHORIZED TO ACCOMPANY U.S. ARMED FORCES DEPLOYED OUTSIDE THE UNITED STATES (JUN 2006)

(a) *Definitions.* As used in this clause—

"Combatant Commander" means the commander of a unified or specified combatant command established in accordance with 10 U.S.C. 161.

"Other military operations" means a range of military force responses that can be projected to accomplish assigned tasks. Such operations may include one or a combination of the following: civic action, humanitarian assistance, civil affairs, and other military activities to develop positive relationships with other countries; confidence building and other measures to reduce military tensions; military presence; activities to convey messages to adversaries; military deceptions and psychological operations; quarantines, blockades, and harassment operations; raids;

intervention operations; armed conflict involving air, land, maritime, and strategic warfare operations; support for law enforcement authorities to counter international criminal activities (terrorism, narcotics trafficking, slavery, and piracy); support for law enforcement authorities to suppress domestic rebellion; and support for insurgency, counterinsurgency, and civil war in foreign countries.

“Theater of operations” means an area defined by the combatant commander for the conduct or support of specified operations.

(b) *General.*

(1) This clause applies when Contractor personnel are authorized to accompany U.S. Armed Forces deployed outside the United States in—

- (i) Contingency operations;
- (ii) Humanitarian or peacekeeping operations;
- (iii) Other military operations; or
- (iv) Military exercises designated by the Combatant Commander.

(2) Contract performance in support of U.S. Armed Forces deployed outside the United States may require work in dangerous or austere conditions. The Contractor accepts the risks associated with required contract performance in such operations.

(3) Contractor personnel are civilians accompanying the U.S. Armed Forces.

(i) Except as provided in paragraph (b)(3)(ii) of this clause, Contractor personnel are not authorized to use deadly force against enemy armed forces other than in self-defense.

(ii) Private security Contractor personnel are authorized to use deadly force only when necessary to execute their security mission to protect assets/persons, consistent with the mission statement contained in their contract.

(iii) Civilians who accompany the U.S. Armed Forces lose their law of war protection from direct attack if and for such time as they take a direct part in hostilities.

(4) Service performed by Contractor personnel subject to this clause is not active duty or service under 38 U.S.C. 106 note.

(c) *Support.*

(1)(i) The Combatant Commander will develop a security plan for protection of Contractor personnel in locations where there is not sufficient or legitimate civil authority, when the Combatant Commander decides it is in the interests of the Government to provide security because—

- (A) The Contractor cannot obtain effective security services;
- (B) Effective security services are unavailable at a reasonable cost; or
- (C) Threat conditions necessitate security through military means.

(ii) The Contracting Officer shall include in the contract the level of protection to be provided to Contractor personnel.

(iii) In appropriate cases, the Combatant Commander may provide security through military means, commensurate with the level of security provided DoD civilians.

(2)(i) Generally, all Contractor personnel authorized to accompany the U.S. Armed Forces in the theater of operations may be provided resuscitative care, stabilization, hospitalization at level III military treatment facilities, and assistance with patient movement in emergencies where loss of life, limb, or eyesight could occur. Hospitalization will be limited to stabilization and short-term medical treatment with an emphasis on return to duty or placement in the patient movement system.

(ii) When the Government provides medical treatment or transportation of Contractor personnel to a selected civilian facility, the Contractor shall ensure that the Government is reimbursed for any costs associated with such treatment or transportation.

(iii) Medical or dental care beyond this standard is not authorized unless specified elsewhere in this contract.

(3) Unless specified elsewhere in this contract, the Contractor is responsible for all other support required for its personnel engaged in the theater of operations under this contract.

(4) Contractor personnel must have a letter of authorization issued by the Contracting Officer in order to process through a deployment center or to travel to, from, or within the theater of operations. The letter of authorization also will identify any additional authorizations, privileges, or Government support that Contractor personnel are entitled to under this contract.

(d) *Compliance with laws and regulations.* The Contractor shall comply with, and shall ensure that its personnel authorized to accompany U.S. Armed Forces deployed outside the United States as specified in paragraph (b)(1) of this clause are familiar with and comply with, all applicable—

(1) United States, host country, and third country national laws;

(2) Treaties and international agreements;

(3) United States regulations, directives, instructions, policies, and procedures; and

(4) Orders, directives, and instructions issued by the Combatant Commander, including those relating to force protection, security, health, safety, or relations and interaction with local nationals.

(e) *Pre-deployment requirements.* (1) The Contractor shall ensure that the following requirements are met prior to deploying personnel in support of U.S. Armed Forces. Specific requirements for each category may be specified in the statement of work or elsewhere in the contract.

(i) All required security and background checks are complete and acceptable.

(ii) All deploying personnel meet the minimum medical screening requirements and have received all required immunizations as specified in the contract. The Government will provide, at no cost to the Contractor, any theater-specific immunizations and/or medications not available to the general public.

(iii) Deploying personnel have all necessary passports, visas, and other documents required to enter and exit a theater of operations and have a Geneva Conventions identification card, or other appropriate DoD identity credential, from the deployment center. Any Common Access Card issued to deploying personnel shall contain the access permissions allowed by the letter of authorization issued in accordance with paragraph (c)(4) of this clause.

(iv) Special area, country, and theater clearance is obtained for personnel. Clearance requirements are in DoD Directive 4500.54, Official Temporary Duty Abroad, and DoD 4500.54-G, DoD Foreign Clearance Guide. Contractor personnel are considered non-DoD personnel traveling under DoD sponsorship.

(iv) When there is a formal declaration of war by Congress, Contractor personnel authorized to accompany U.S. Armed Forces may be subject to prosecution under the Uniform Code of Military Justice.

(f) *Processing and departure points.* Deployed Contractor personnel shall—

(1) Process through the deployment center designated in the contract, or as otherwise directed by the Contracting Officer, prior to deploying. (2) Use the point of departure and transportation mode directed by the Contracting Officer; and

(3) Process through a Joint Reception Center (JRC) upon arrival at the deployed location. The JRC will validate personnel accountability, ensure that specific theater of operations entrance requirements are met, and brief Contractor personnel on theater-specific policies and procedures.

(g) *Personnel data list.*

(1) In accordance with DoD Instruction 3020.41, Contractor Personnel Authorized to Accompany the U.S. Armed Forces, the Contractor shall establish and maintain with the designated Government official a current list of all Contractor personnel that deploy with or otherwise provide support in the theater of operations to U.S. Armed Forces as specified in paragraph (b)(1) of this clause. The list shall include each individual's general location in the theater of operations. The Contracting Officer will inform the Contractor of the Government official designated to receive this data and the appropriate automated system(s) to use for this effort.

(2) The Contractor shall ensure that all employees on the list have a current DD Form 93, Record of Emergency Data Card, on file with both the Contractor and the designated Government official.

(h) *Contractor personnel.*

(1) The Contracting Officer may direct the Contractor, at its own expense, to remove and replace any Contractor personnel who jeopardize or interfere with mission accomplishment or who fail to comply with or violate applicable requirements of this clause. Such action may be taken at the Government's discretion without prejudice to its rights under any other provision of this contract, including the Termination for Default clause.

(2) The Contractor shall have a plan on file showing how the Contractor would replace employees who are unavailable for deployment or who need to be replaced during deployment. The Contractor shall keep this plan current and shall provide a copy to the Contracting Officer upon request. The plan shall—

(ii) Detail how the position would be filled if the individual were mobilized; and

(iii) Identify all personnel who occupy a position that the Contracting Officer has designated as mission essential.

(i) The Contracting Officer may authorize the Contractor to issue Contractor-owned weapons and ammunition to specified employees; or

(ii) The [Contracting Officer to specify the appropriate individual, e.g., Contracting Officer's Representative, Regional Security Officer] may issue Government-furnished weapons and ammunition to the Contractor for issuance to specified Contractor employees.

(5) Upon redeployment or revocation by the Combatant Commander of the Contractor's authorization to issue firearms, the Contractor shall ensure that all Government-issued weapons and unexpended ammunition are returned as directed by the Contracting Officer.

(k) *Vehicle or equipment licenses.* Contractor personnel shall possess the required licenses to operate all vehicles or equipment necessary to perform the contract in the theater of operations.

(n) *Next of kin notification and personnel recovery.*

(1) The Contractor shall be responsible for notification of the employee-designated next of kin in the event an employee dies, requires evacuation due to an injury, or is isolated, missing, detained, captured, or abducted.
