BASE FEE	\$0.00
SUBTOTAL MAX COST + BASE	\$0.00
MAX AWARD FEE	\$0.00
TOTAL MAX COST + FEE	\$0.00

SECTION C Descriptions and Specifications

In the performance of this Task Order (T/O), the contractor shall provide the total Direct Productive Person Hours (DPPHs) within the period of performance stated for MDDC support for Virtual Data Center (VDC) Development. Reference SOW SW-TC-S-36-97, Section 3.4 and the following Statement of Work.

“MDDC SUPPORT FOR VIRTUAL DATA CENTER (VDC)”

1.0 The MDDC will develop web pages that can be accessed via the VDC Portal to provide access to the VDC database server that is already installed at the MDDC. These web pages will be designed to:

Allow VDC users to search for data resources hosted at the MDDC.

Browse documents and data sets found during searches.

Provide information about the MDDC (MDDC ‘home page’) and programs that provide data to the MDDC (‘program pages’).

2.0 The MDDC will host these web pages on an Oracle application server. This server is comprised of a NT platform and Oracle Forms Server; these components will be purchased with funding provided to purchase equipment. To develop the web pages, MDDC will also require Oracle web page development tools, which also need to be purchased out of the provided equipment funding.

3.0 The web pages will be hosted on both the classified and unclassified VDC portals. The MDDC will use the VDC portal security methods and local data access controls to limit access to classified data as required by the data providers.

4.0 The MDDC will continue to load mission data into the VDC. Mission data sets and documents will be converted to the formats specified for the VDC, and the required metadata will be developed to search for the data.

PERIOD OF PERFORMANCE: From the date of Contracting Officer’s signature through 1 Feb 02.
