**Consultant requirements must have prior written approval of the Administrative Contracting Officer (ACO) (via subcontract consent package) before any costs are incurred under the consultant CLIN.

SECTION C Descriptions and Specifications

Material Integration and Strategic Communications – Statement of Work

DESCRIPTION:

1.0 The contractor shall continually research requirements development, integration, and approval documents and publications on Army modernization programs, systems, and force structure issues and provide the Director Force Development (FD) recommendations with regard to those systems and programs which demand review, reassessment, redirection, and/or realignment. The analysis may be used to directly support ongoing actions and initiatives including, but not limited to Army Transformation, Digitization, and the Quadrennial Defense Review. Additionally, development and coordination of strategic communications support for the completed analysis will be required.

1.1 The contractor shall assist in shaping the discourse on Army modernization and force structure issues and challenges; conducts independent analyses, studies, and reviews; maintains a broad over watch, both near and far term, on areas of interest; integrates selected actions across FD divisions; communicates the FD's and the Army's vision and priorities to internal and external audiences; adds continuity and consistency to the Army Modernization Strategy over time; assesses Army programs and plans in order to validate their coherence and relevance to the Army's long range plan.

1.2 The contractor shall provide analysis, review and recommendations to G8-FD on pertinent Congressional information and material. Such analysis will include coordination with members of Congress and required staff support and Army Staff and Secretariat Congressional liaison staff. Under no circumstances shall the contractor perform any service that could be deemed to fall within the definition of lobbying, IAW FAR 31.205-22 and/or DFARS 231.205-22.

1.3 Army Modernization Plan Support. The contractor shall provide analytical, presentation, and administrative support to the Director-FD for development and publication of the Army Modernization Plan. The effort will include modernization strategy analysis, modernization planning assessment, editorial configuration management, technical and administrative support for briefings, In-Process Reviews (IPRs) and publication, and other activities which relate to the Planning, Programming, Budgeting and Execution System (PPBES) and the acquisition process. A critical support tasks will be to monitor Army Staff actions impacting the overall Army Modernization Plan and Modernization Strategy, and to ensure adherence to associated Army policies and directives. The contractor shall:

- Develop and maintain modernization plan data relating programmatic, operational, and technology developments which should be reflected in the Army Modernization Plan;
- Integrate and refine Army Staff initial inputs for the Army Modernization Plan, providing analysis and assessment that shows modifications necessary to maintain consistency in the Army's Investment Strategy, develop and maintain Doctrine, Training, Leader Development, Organizations, and Materiel (DTLOMS) and DTLOM-PF and the Army Modernization Plan. Linkages will also be tracked to the Army Science and Technology Master Plan (ASTMP) the TCP, and JV 20202;
- Provide inputs to briefings, IPRs, and other related activities supporting the PPBES process and development of the Army Modernization Strategy that will be reflected in the Army Modernization Plan;
- Provide input for selected mission area programs in the Army Modernization Plan;
- Integrate as required separate branch or activity modernization plans to ensure they are synchronized in content, message, and appearance;
- Monitor Army Horizontal Technology Integration programs to maintain a technical and programmatic road map for integration of technologies across the force;

- Provide presentation/graphics support necessary to integrate and produce the Army Modernization Plan, support the development of the Army Modernization Strategy, and to develop modernization requirements integration and review materials to support Army Staff Requirements Review Council Activities and Army System Reviews. The contractor shall provide administrative support in areas such as graphic presentation development of modernization and requirements related concepts, graphic artist support, document layout and coordination with the Government Printing Office when required.

1.4 The contractor shall ensure that all documents generated within G8-FD remain focused on the Army Vision and maintains relevant ties to the objectives of Transformation Campaign Plan. This effort will include, but is not limited to, linking strategic communications products to the TCP's Line of Operation 2.

1.5 The contractor shall facilitate missions and requirements that cut across division lines of responsibility; provide an independent source of ideas, analyses, and review within FD;

Prepare speeches, briefings, presentations, articles, and correspondence for the Director-FD;

Provide a quick reaction capability for researching, evaluating and analyzing articles, position papers, and formal briefings and presentations; Monitor FD representation on the JROC/JRB; Initiate and coordinate independent study projects on modernization issues; Initiate independent reviews, examinations, and assessments of Army programs, issues, and plans in order to validate coherence and relevance to the Army's long range strategies for modernization.
